300 W	Powering 20–30 sqm	Matched transformer set

Note: Packing and commercial terms available on request. Please contact us for quotation.

To place an order or request a quotation, please email us at cnc@cncGlass.com. Our sales team will respond promptly with availability and lead time.

CNCGLASS · Notes / Commercial Terms

Commercial guidance for switchable PDLC smart film orders. Please review the points below before confirming production and shipment.

Busbar Assembly	If the customer is not experienced, it is recommended that CNCGLASS assemble the electronic connector (busbar).
Shipping Protection	To protect the smart film, shipping by air or express (DHL, FedEx, UPS, etc.) is suggested.

Dimensional Weight	Shipping weight is calculated by dimensional weight — the package is light but larger in dimension.
Commercial Terms	Price term, packing, and freight details are available on request.

Please confirm film type (non-adhesive or self-adhesive), size, transformer capacity, and destination before production.
